

Guidelines for parents, students, class participants and dancers

Due to the current extraordinary situation, everyone will be required to adhere to the following guidelines for their own and others' safety:

1. The use of the changing rooms is prohibited for the time being, All students, class participants and dancers must change before coming to the studio.
2. If possible, the use of public transportation should be avoided.
3. Parents will not be permitted to wait in the lobby during classes. Children must be dropped off and picked up outside the school.
4. For classes taking place in Studio B, students and class participants must follow sign guiding to the studio.
5. The distance of 2 meters to others must be maintained at all times.
6. Disinfectant will be made available and must be used by all upon entering and leaving the school.
7. If required we also offer masks.
8. In general the rule still applies that anyone who feels ill, has a cold or a fever must stay at home.
9. Please note the temporary class schedule on our website of the balletschool, which is only valid during the Corona pandemic.

Many thanks for your understanding and cooperation.
